The membership year runs from 1st October 2017 to 30th September 2018. New ordinary members joining on or after 1st January 2018 shall pay one half of the annual subscription. This reduction does not apply to darkroom, studio or digital fees and these must be paid in full.

Where a member does not pay the membership fee due, membership will lapse. Such a member may rejoin the Society provided that the subscription for the next following session is paid on the due date. All Members of the Society should inform the Membership Secretary as soon as they change address, tel. no. or email address. Applicants for membership who are likely to be changing their address often, must give a fixed address. For example, students should specify their university Students Union rather than accommodation that is likely to change.

The Society maintains a computerised membership data file that is used only for internal administrative purposes. The information that you provide in this application form will be held in this file.

The EPS constitution forbids members from making commercial or professional use of the facilities. Submitting this application form implies that you agree to comply with this constitutional requirement.

I wish to apply for membership of the Edinburgh Photographic Society for the season ending 30th September 2018.
